

Today's Dirty Dozen – Public sex in and around SF

Hey, it's a sexy place. No, we're not listing cruising spots. This one's just for fun.

1. **The San Francisco Zoo.** Birds and bees do it. Be careful of wayward tigers, they're not horny, they're hungry – or pissed. In February, to celebrate Valentine's Day, the SF Zoo offers daily Sex Tours, with a docent that details the sex lives of various animals. Be a lion.

2. **Pier 39.** Think sea lions. At least all that roaring and bellowing must mean something. But then again, they're mostly *male* sea lions. Hey, it's SF.
3. **AT&T (nee PacBell, then SBC) Park and McAfee (nee Oakland Alameda) Coliseum.** Second base. Third base! Home Run!! Upper reserve blowjobs.

4. **The men's room** at the Eagle Tavern. Look for Phillip.
5. **Golden Gate Park.** On a warmish day, certainly some one, somewhere in one of the largest city parks in the US is doing it.

6. **The Citadel, Edges, Power Exchange, Bondage A-Go-Go** (bdsm play spaces)

7. **Bay Area BDSM classes:** Janus, smOdyssey, Citadel, Edges, Good Vibrations, Stormy Leather, screwup, Magnet... After all, it is sex, isn't it?
8. **The San Francisco Board of Supervisors.** Somebody gets screwed, pretty much every meeting. Just ask Gavin.
9. **Any SF gas station.** Grab hose. Insert nozzle into appropriate orifice. Pull trigger. Moan. Wallet deflates. You've just gotten fucked again.

10. **Folsom Street Fair and Up Your Alley.** The first global; the latter local. Leather hits the streets. Some folks just can't, uhh, restrain themselves.
11. **Sex clubs, gloryholes, towel boys, oh my!** Check out the Power Exchange, Eros (bathhouse), Blow Buddies (the king of gloryholes and oral sex), MackSF, Folsom Gulch (non-official), the men's room in Macy's (sorry), and any of a dozen "gentlemen's clubs" (where your wallet gets fucked).
12. **Pulgas Water Temple** (peninsula). Legend has it that Steve McQueen and Joan Baez dilly-dallied here. No, they weren't into water sports, as far as we know.

Brought to you as a kinky public service from the folks who are bringing you Leather Leadership Conference 12.

Special thanks to JimH from the South Bay for his wonderful contributions.

AROUSE!
